All Geeta Pariwar programs are run by selfless Geeta Sevi volunteers. Every month there are new participants joining us and new batches that get started. For the smooth functioning of these sessions we host the Come let us be a Geeta Sevi session from time to time. An online session was held on the 19th December 2021, as a part of the Come let us be a Geeta Sevi program chain. The program stated with an auspicious prayer. The National Vice President of the Geeta Santha classes , Dr Ashu Goyal started his address with the Shlok no 3.21:

यद्यदाचरति श्रेष्ठस्तत्तदेवेतरो जनः।
स यत्प्रमाणं कुरुते लोकस्तदनुवर्तते॥

The Conduct or behaviour of great people is followed by others. The example or manifestation displayed by such great people, is followed by the entire mankind. He further added that it is the founder of Geeta Pariwar, Param Pujya Swami Govindadev Giriji Maharaj, who inspired this great Gītā Knowledge Yajña, in which thousands of devotees are offering their services. We all need to offer our services as per our individual capacity. Becoming a Geeta sevi is like helping in the drawing of the grand chariot of Bhagavān Jagganāth. We all should join our hands in this divine task. Shrī Pradeepji Rathi, who is contributing tirelessly in his capacity as Head of the IT department at Geeta Pariwar, shared the several efforts put in by all. He said that currently there are more than 35 Teams working with tremendous determination in the background. He further explained how to register in order to offer your services.

The various department representatives then shared the details about the work in their area via a presentation or a video. The eligibility criteria like age and qualifications required to join the respective teams was shared in great details. The following representatives shared their presentations –

Technical Department: Vijayaji Muchhal.
Software Development: Meenakshiji Shah.

Group Coordinators: Viniji Maheshwari.
Creative Writing: Arvindji Patil.
Trainer Department: Shrutiji Kadagaonkar
