Learngeeta is an innovative educational system designed to disseminate the practical application of Geeta in real-life scenarios, ensuring correct pronunciation and recitation in a simplified manner accessible to learners worldwide. The program's rapid popularity can be attributed to its effective blend of advanced techniques, incorporating both art and science, including cutting-edge IT solutions.

To celebrate the success stories, deciding the way forward in order to obtain blessings of our visionaries, offline meetings are planned at regular intervals at prominent places across the country.

In a similar fashion, a splendid program unfolded on the 17th of September, 2023, a Sunday, at the Deepa Memorial Hall of Tagore International School in the Pink City, Jaipur, Rajasthan. The magnificence of the event was heightened as every participant adorned a distinctive Bhagawa-colored uniform. The enchanting commencement of the program featured the recitation of Mantras, resonating through the hall, led by a special group of Vedic students from Pushkar Ved Mahavidyalya. The ambiance was further enriched with soulful renditions of spiritual compositions such as Shree Madhurashtakam (Adharam Madhuram...), Yogesham Sacchidanandam, Ishwar Bhakti Bhaaw se Bahati, and more. The scene unfolded like a glimpse of a different world, where every element resonated with Bhakti, Devotion, and Samarpan (surrender). The entire setting bore the semblance of a divine dwelling, a Devalok, creating a unique and captivating atmosphere.

The Chief Guest of the programme was National Working President of Geeta Pariwar,

Dr Sanjay Ji Malpani who is well known for his explanations of the Geeta in a lucid way.

The hall was brimming with a distinguished gathering, and as the main organizer of the event, Shri Deepak Bhaiya made his entrance, the atmosphere became charged with emotion. Carrying Geeta ceremonially on his head, he was accompanied by his wife, Smt. Shashi Gupta. The poignant scene unfolded after the Saraswati Pooja, where Shri Deepak Bhaiya and other dignitaries, including the esteemed educationalist Shri Govind Maheshwari Ji from Kota, bestowed honors upon the respected Sanjay Bhaiya. This honor was symbolized by the placement of a traditional Rajasthani turban on his head, embodying the rich cultural values of Aan, Baan, and Shan in Rajasthan.

A cultural dance of Rajasthan (Padharo Mharo Desh) has been performed to welcome the chief guest and invites before address of Chief Guest.

Shri Sandeep Jhawar Ji, introduced about the Geeta Pariwar he said that with the blessings of Param Pujya Swami Shri Govind Dev Giri ji Maharaj, we are able to run this programme in173 countries, more than 1000 Schools and in 8 languages, he further gives the brief introduction of Geeta Sevi, Geeta Paranagat and Geeta Pravina.

The young Samarth, who is a just 4 years , was the centre of attraction as recited the Geeta Shlokas asked by Shri Sanjay Bhaiya. The little boy was the inspiration for all who learn Geeta Ji.

Resp. Sanjay Bhaiya is the renowned scholar of Shrimadbhagvadgeeta, Geeta Visharad, holding various prestigious positions, address the audience in length focusing mainly on -

- Nirvair (No enemy, love to all)
- Yuktaharaviharasya (what to eat and what to do)and
- The team 11
- Kshatriya Dharma
- Krishna Vichar
- Samatva Yoga (Balancing)

He explained how the journey of Geeta Pariwar has taken place from limited members and resources to the largest network of the globe .

Besides the above points, he touched many finer aspects of the Geeta ji and the programme

journey and development in very simple and emotional way by citing some of the anecdotes.

During his address, he graciously invited the Kota Team 11 onto the dais, along with several other distinguished guests, to acknowledge and honor their pivotal role in transforming the Learn Geeta program into a resounding success. Their efforts transcended boundaries of language, race, and religion in an astonishingly short period.

Emphasizing the need for such Team 11 formations in every city and village, he underscored their crucial role in advancing moral education—an imperative for the times ahead. Further, he delved into the Panach Sutras, shedding light on their relevance in the context of artificial intelligence.

Kavita Didi took the stage during the program to elucidate the goals and objectives of the Rampratishtha App. She extended a warm invitation to all sadhakas (devotees) to download the app, encouraging them to submit their daily Hanuman Chalisa recitations. These collective prayers would be offered to Ramlala, along with the names of individual contributors. Rupal didi explained the concept of Team - 11 and urged everyone to join the group.

As the program drew to a close, certificates were distributed to the esteemed invitees, followed by captivating cultural dances. The vote of thanks marked the official conclusion, although a select few were requested to stay for an important meeting determining the next course of action to enhance the program's effectiveness and success.

To ensure a harmonious end to the colorful and grand event, all invitees were warmly invited to partake in Prashadam before departing, aligning with the program's comprehensive objectives.
