Geeta Pariwar USA

01/10/23

Amidst the euphoria of devotion and hearts gleaming with satisfaction, October 1st 2023 has marked the culmination of the concerted efforts of the volunteers of the Geeta Pariwar USA in organizing PP Swami Shri Govind Dev Giri ji Maharaj's visit to New Jersey.

The event inspired everyone present at the Maitri Milan USA, to rise and embark on a pure and pious journey, filled with the messages of the holy scripture, Shrimad Bhagawad Geeta. Every

attendee in a unique way sensed the quintessence of the beautiful compilation of this pious epic and decided to light a spark in their lives so that the rays of hard work of our PP Swami ji are spread wide and varied to the darkest corner of this earth.

Under the leadership of the international working President, respected Ashu Goyal bhaiya, the USA chapter is a massive effort to strengthen us and keep our roots of Sanaatan Dharm alive.

The goal is to not only teach the 700 verses of Shrimad Bhagawad Geeta with correct Sanskrit pronunciation and their underlying meanings, but also to consciously persist a life abiding by the teachings of this sacred epic.

December 22nd is marked as the auspicious day of Geeta Jayanti on Mokshada Ekadashi. Many of the Geeta Pariwar USA members embarked on a new journey to spread the 'Geeta Gyan' in their own special way by organizing Bhagawad Geeta Parayan and Hanuman Chalisa chanting at their homes and at nearby temples. Several opened their homes lovingly to invite their neighbors and coordinated various cultural activities.

On March 4th 2024 Chicago welcomed the working President of the Gita Pariwar, Respected Sanjay Ji Malpani bhaiya and Anuradha bhabhi. Despite being organized on a weekday, about 50 saadhaks were able to attend this "Sneh Meet". Thanks to the collaborative efforts of the calling team and passionate volunteers for this successful event. This leads to the formation of 'Chicago team 11'. The attendees got so impressed by respected Sanjay Bhaiya's speech, they are eagerly looking forward to many more similar great interactions.

In Charlotte, North Carolina, respected Sanjay bhaiya met with the enthusiastic HSS team members organized by USA Geeta Pariwar members. On March 10th, again with the efforts of our calling team about 70 saadhaks were able to take advantage of another "Sneh Meet" at the Shrinath Dham Haveli, North Carolina. This Sneh Meet was also a roaring success in the string of similar events and the formation of 'Charlotte Team 11'. A few weeks later, enthusiastic volunteers of Washington DC, Maryland and Virginia formed 'DMV Team 11'

Respected Sanjay bhaiya recognized and commended all the determined, dynamic, and diligent efforts by the flag bearers of Geeta Pariwar USA.

With the guidance of international coordinator, respected Rupal Shukla
