Saral Pathaniya (20 books in 12 languages)

Bhagavaan Shri Krishna, himself imparted the Geeta to motivate and energize a despondent Arjuna. The words spoken by Bhagavaan himself attained the status of a Divine Scripture. However, as Bhagavadgeeta is in Sanskrit, its recitation is extremely difficult for those who do not have prior knowledge of Sanskrit. Therefore, Geeta Pariwar has started the “**Online Geeta Santhaa Classes**”.

The USP of these Santha Classes is the unique, easy-to-read version of the Śhrimadbhagavadgeeta. It's a simplified method of explaining the Anusvāra and Visarga pronunciations; displayed Aaghata signs to denote places to stress while pronouncing joint consonants, without changing the meaning or the Chaṇḍ (meter), and skillfully split the combined consonants to make the recitation easier. The possible mistakes in the long and short vowel pronunciations are highlighted in order to avoid them.

With the Divine blessings of Param pujya Swami Śhri Govinda Deva Giriiji Maharaj and with the relentless efforts of International Program Director of Learngeeta our dear Dr. Ashu Goyal bhaiya and his dedicated team, this unique Saral Pathaniya, easy-to-read version of the Śhrimadbhagavadgeeta is a Divine offering at the Bhagavān's feet.

It is Learn Geeta's humble effort and firm belief that this “Easy to Read” version of the Geeta will enable countless Geeta-loving Sadhakas to learn the

perfect pronunciation of the Divine Shlokas and memorize and internalise them with ease.
