Covid 19 Pandemic came as a boon in disguise. Transformations like Digital connections, Virtual events and live sessions became the new normal. The Social media potential was harnessed to tap and reach the global audience to enroll for the online Geeta Classes by Learn Geeta, GeetaPariwar. Prior to online Geeta Classes there was only one website **geetapariwar.org**. The presence of Learn geeta on social media has now grown multifold **learngeeta.com**

This brought the world closer, it enhanced availability and accessibility to unique learning experiences worldwide, it eased building the social communities of shared interests through which exchanges were possible in turn synergizing the euphoria to grow and evolve.

Today our presence is established on various Social media platforms like face book, Instagram, You tube, Twitter and also feel proud to have a robust website for Learn Geeta

**(A) Earlier it was only
www.geetapariwar .org
now spread wings in social
media in youtube,
facebook, twitter,
instagram page, and app
with variety of portals**
