Practice app is an amazing masterpiece App, playing a very value additive and a great support role in the self learning and self assessment process of every Pariksharthi and am sure everyone will unanimously accept it.

- You have the choice of selecting 1,2,more or even all chapters for mock test
- Tests are not limited to Charanwise in sequence but can also test random memorisation of shloka, shlokank advanced practice and also serial wise learning
- You can use any of the 11 languages provided in the App.
- Audios as well as Scripts of Shlokas are provided to verify your attempts.
- Add on facilities like timer is also available to study the quickness, promptness in answering

Thus, this App enables us to know where we stand in our Exam preparations.

If we are ready for exams, it helps in building temperament for Exams and boosts our self confidence.

Most benefitting is by self analysing independently. You don't have to depend on someone to test you and someone need not be all the time engaged for you.
