

9 • BHARAT KA ITIHAS THE SOLE LIVING LEGACY OF THE ANCIENT WORLD

Bharat ka itihās The sole living legacy of the ancient world

Bharat, commonly referred to as India, is more than just a nation; it is the only country on Earth that has preserved the splendor of the ancient era.

1 MIN ENGLISH

The sole living legacy of the ancient world

Bharat has endured fierce assaults on its way of life. Nevertheless, the core of its culture, rituals, and traditions is so deeply embedded in the hearts of its people that it has withstood the ravages of time. Thus, even after numerous attempts to obliterate its temples (such as the Somnath temple), they continue to stand today, shining and steadfast as symbols of resilience, patience, and profound devotion in the hearts of the people of this blessed land.
